Old Business:

- Nancy Woods informed the Board that she and Susan Flannery were working on an NEH Challenge Grant proposal which is due on May 2.
- Susan Flannery reported to the Board on a meeting with representatives from the Mid-Cambridge Neighborhood Conservation Commission regarding the proposed sign/art piece for the Main Library. The Committee was enthusiastic about the proposed glass tower and even suggested that it retain it's initial height. They did however request that it be relocated from the side of the walkway nearest the willow tree to the opposite side. Warren Pearson is investigating the possibility of doing that.

This is to supplement titles purchased collectively through the Minuteman Library Network. Titles purchased through the Advantage Program will be limited to Cambridge residents only.

Respectfully submitted,

Andre Mayer, Secretary
